

## COMPANY PROFILE

Complete Care Maintenance is a cleaning company based in Plainsboro New Jersey. We believe our clients' needs must be met with custom and cost-effective solutions. We have decades of industry wide experience in keeping our clients places of business sparkling clean and healthy. As cleaning practices, products and equipment have evolved over the years, we have evolved as well.

We recognize the importance of utilizing sustainable as well as certified products in our daily operations and encourage our customers to do the same. Our goal is to get it right the first time. And if not, we will come back and make sure it is. We guarantee our services and more importantly, our reputation.
